

## Second Announcement

7<sup>th</sup> International Conference  
**«NANOBIOPHYSICS:  
Fundamental and Applied  
Aspects»**  
October 4-8, 2021, Kharkiv, Ukraine

**Note:** to provide an opportunity to a wider range of participants to take part in the event the conference will be held in both **OFFLINE** and **ONLINE** formats.

Urgent problems in a new scientific field combining biophysics and nanotechnology as well as its progress and prospects will be discussed during the following sessions:

1. Nanobiohybrids formed by 1-D or 2-D nanomaterials with bioobjects
2. Biomolecules on nanoparticles and nanostructured surfaces
3. Physical aspects of biomolecular nanosystems
4. Theoretical calculations and computer modeling of nanobiosystems
5. Applied aspects of nanobiophysics
6. A special session of the Ukrainian Biophysical Society is planned

### Important dates:

**July 16<sup>th</sup>** – extended deadline for abstracts submission

**September 1<sup>st</sup>** – Preliminary Program, Distribution of Invitation Letters

**September 15<sup>th</sup>** – Final Program **October 4<sup>th</sup>** – start of the Conference
